+NEW FOR 2012

Beechfield
ORIGINAL HEADWEAR

As the leader in promotional caps and hats, Beechfield continues to set the headwear standard. In 2012, we are forging ahead with nine new styles that mirror the latest retail designs and will bring an even more competitive edge to your headwear sales.

Get in sync with our Low Profile and Junior Low Profile Fashion Caps. These new styles introduce the "Key Colours" concept – imprintable accessories that coordinate perfectly with the most popular apparel color palettes.

Harness a headwear classic with our new Vintage Flat Cap in heavy washed herringbone fabric – a winning combination of trendy retro looks and multiple embellishment locations.

Team up with our new Nation Cap and Nation Beanie, your head-start in the race for summer sports sales; the Enhanced-Viz Team Cap, our new and innovative hybrid sports/safety wear design; and the Coolmax® Flow Mesh Cap, the latest word in multi-sports headgear.

Warm up with the Suprafleece™ Aspen Headband and Suprafleece™ Everest Cap – our latest winter essentials, and the new summit of cold-weather headwear chic.

New colours, new styles, new opportunities...
